- 4. APPROVAL PROCESS BY VILLAGE PLAZA BOARD:** Once Miller Management has completed the background check, they will forward the whole package (residency application, lease (if applicable), results of the background check) to the Board Secretary and Member at Large to **schedule an**

interview with the applicant. These two board members represent the Board for reviewing and approving applicants. (If unavailable, other board members may be assigned to complete the interview.)

- Once we have the background report from Miller Management and the other application materials, we will reach out to the applicant by email or phone to schedule the interview. When the applicant is local, we will do this in person. If they are not local, we will do it by phone.
- Once the interview is completed, we will notify Miller Management, the applicant, and current owners by email that the applicant is approved. The new owner, tenant, or occupant will then be added to the Village Plaza database of residents.
- The new resident will be announced at the next board meeting and the Board Secretary will add them to our internal database and online directory with whatever info the resident approved being made public.
