## Guest Registration

All guests must be registered by the owner if visiting when the unit owner is not in residence. Also, any guest who visits for two weeks or more, even if the owner is present, should be registered. They should also place a note on the driver's side dashboard of their vehicle identifying the name and address of the owner they are visiting. (Note that there is a maximum of 45 days in any calendar year that any guest may visit without being approved as a resident.)
