

2nd + 3rd Sections

Apartment A

1320 sq ft. ±

2 BEDROOM, 2 BATH

With more built-in privacy per square foot than you've ever experienced before, the living area in this model can only be described as generous! Just look at the master bedroom...with own private bath, in addition to the wonderful oversized combination walk-in closet/dressing room. Living and sleeping areas are conveniently separated at opposite ends of this exciting residence. Central hall provides for easy traffic in all directions. Dining area enjoys natural light by the window, and the inviting kitchen welcomes you to breakfast, brunch, and coffee break. All major living areas overlook garden courtyard. Enjoy the splendor of Florida living.
