

Village Plaza “Speakeasy”

Dance Party!

BLUES, GROOVES & MOVES

(sprinkled with the music of Motown!)

The idea behind the name speakeasy was used to give entry into top secret bars and clubs when it was illegal. Throughout the prohibition, alcoholic beverages were illegally sold and consumed in secret. Today, we recreate this idea of hidden, dim-lit, and unidentifiable bars as our modern-day speakeasy!

Feel free to dress in “Speakeasy Attire”! Think “Roaring 20s”!
