

Celebrating Danny & Monk 2026

In celebration of two VP residents, Danny Archetti and Monk, who were both avid golfers we would like to add a couple of palm trees to the already established “Monk’s Muhly” on the 13th fairway at Village Green Golf Course. We will be working with Sean, the owner of the golf course.

If you would like to make a donation honoring Danny and Monk, please give your donation to JP, Dale or Carey. We would like to accomplish this by the middle of April so we can plant and take advantage of the rainy season.

Thank you in advance for your contribution.
